

Bed Bug Symposium 2010

Two Meetings. Two Locations.

1 Day Workshop & Marketplace

May 18—Orlando, Florida

May 20—Ft. Lauderdale, Florida

THIS IS AN OPPORTUNITY YOU CAN'T AFFORD TO MISS!

- *Don't miss this opportunity to interact with representatives from hotels, public health and public housing employees, property managers and owners, college dormitory supervisors, cruise ship administrators and more who are interested in learning how to respond to the threat of bed bugs.*
- *Have a presence in the Marketplace at one or both workshops, limited space is available!*

To ensure an educational program that targets the right audience, NPMA has partnered with the Florida Restaurant and Lodging Association, Florida Pest Management Association, the Florida Department of Business and Professional Regulation's Division of Hotels, and Restaurants and the Florida Department of Agriculture and Consumer Services

From identifying bed bugs to inspection techniques to the public affairs issues and the legal ramifications, we have gathered nationally-recognized experts on the bed bug issue to provide management tips, both preventative and corrective, to help make informed decisions and stay out of the newspaper – and the courtroom.

The Marketplace at the Bed Bug Symposium offers an opportunity for suppliers of bed bug products and management services like you to provide the tools and information the attendees need to know in dealing with the pest of the century.

The prices for the Marketplace Sponsors are amazingly affordable. We are offering three premier opportunities [prices are based on per meeting location].

- Tabletop exhibit (6' x 10' space with draped table)
- 2 full registrations*
- Company logo in electronic promotional materials and printed on-site program
- Opportunity to insert one (1) page flyer/promotional material in each attendee registration packet
- An attendee list for both locations

Don't be left out at the Marketplace where attendees will discover the products and services they need to combat this public health pest. Drop everything, fill out the attached registration form and return it to NPMA as soon as possible. Space will be allocated on a first-come/first-served basis.
