

FPMA REGION 4 Brevard County

LUNCHEON Meeting Thu April 23rd, 2009 11:30 am - 2pm

Featuring: Dr Faith Oi UF Extension Scientist

At MeMaws BBQ in Indian Harbour Beach

DACS, Generics & the Green Termite Future

First Time Attendees get \$5 Off

Hailing from UF, (Go Gators) Dr Faith Oi is the leading Termite expert in FL. As a research scientist, Faith knows termite biology but she also specializes on the needs of PCOs in the trenches. This class will discuss:

- *How to avoid those special visits from DACS.
- *How will generics affect the termite market?
- *What's does the future hold for Fipronil?
- *How might the EPA affect YOUR FUTURE?
- *What's an EPA cup and why should I care?
- *How will Green change the Termite market?

For a You Tube interview with Faith go 2
